Niedersächsische Staats- und Universitätsbibliothek Göttingen Georg-August-Universität Göttingen Platz der Göttinger Sieben 1 37073 Göttingen Germany Email: gdz@sub.uni-goettingen.de hut and the Devit's Den, under an overhanging slab of rock. We now return to the point whence we emerged from the forest-path, and follow the road to the left. At (6 min.) the highroad (white farm-house) we turn to the right. 10 min. Bridge, where we diverged to the left for Echo Lake (see p. 146). (By turning to the left on regaining the highroad and following it for ½ M., we reach a sign-board pointing to Diana's Baths.)

To Arrist's Falls, 1½ M. We proceed to the S. from the Kearsarge Ho., past the Maine Central R. R. Staton, to (10 min) the bridge over

10 ARTISTS FALLS, 1¹/4 M. We proceed to the S. from the Kearsarge Ho., past the Maine Central R. R. Station, to (10 min) the bridge over Artist's Breot's, then turn to the left and follow the road, crossing another bridge, w. [2] min, the Jroth Conson Ledge Jastistes (Cornerly Artists' Falls Parks, 1997) and the Jastist's Parks and Calkaline). To reach the falls we take the right branch of the fork opposite the spring, and in 56-min, more reach their side. The Artists' Falls

are small, but pretty in wet weather

"ASCENT OF Mt. Kearsarge (5-6 hrs there and back). Going N. from the Kearsarge Ho., we take the (3 min.) second turning to the right (sign post 'to Kearsarge Village'), cross the railway, and (5 min.) turn to the left. This road leads through Kearsarge Village (see above) to (11/4 M) a small church, where we turn to the right. 1/3 M. Farm House (carr. to mani cauren, where we turn to the right. 13 m. Farm House (carr. to this point, 50c. a head; horse hence to the top \$5.2; guide, unnecessary, \$2; a seent hence in \$1/4.29/4 hrs.). The path, which is steep and stony at 1rst, comparatively eavy in the middle, and steep towards the top, hegins behind the farm-house, crosses helds, and enters (8 min.) the wood. 20 min. Path leading back to the right to Prospet Ledge (View of Saco Valley, Moat Mt., etc.) About 10 min. farther up we pass a small spring (to the right). In 10 min. we emerge from the wood and reach the rocky ledges, and soon see a small cairn a little to our right. It is not easy to give directions from this point, but by noting the worn part of the rocks and keeping a look-out for the cairns, we reach the top in about 1 hr. more. At hrst we keep to the right and then swing round to the left to approach the summit from the W. The noble "View from the pyramid mit. Rearsarge, Kiurunge, or Pequantet (270 ft.; rint. but at the top) includes the Saco Valley to the S. and W.; Mt. Chocorna and the bop) includes the caco valley to the S. and W.; and the distance, Mt. Hancock, Mt. Carrigain, and Mt. Lafayette, to the W. and W.N.W.; and most of the main summits of the White Mis, including a grand view of Mt. Washington, to the N.W., and the Wild-Cat and Carter Mts., with the Carter Notch between, to the N.; several lakes and ponds, including Lake Sebago, to the E. and S.E. The other Mt Kearsarge (p. 130), 60 M. off, is seen to the left of Chocorus. The descent may be made to Bartlett (p. 123). In descending to N. Conway a little care is necessary to follow the route over the ledges. In the wood we keep mainly to the right, as nearly as possible straight down the incline.

Most Mountain (N. peak, 3195 ft.; "View) may be ascended in 3-4 brs. from North Conway by a path (sign-povts and cairus) beginning near (3 M) brana's Baths (see above) — Middle Mt. (1850 ft.), another good point of view, is ascended in 1 hr. by a path beginning near the Forest Glen Mineral Spring (see above). The adjoining Peaked Mt. (1 hr.) and Sunset

Hill (855 ft.), a 'cub' of Hurricane Mt., are also easily ascended.

Among the favourite Drives from N. Conway are those 'Around the Square' (5 M.), the 'Dundee Drive' (12 M.), and to Jackson Falls (9 M.; see below). The distance through the While Mountain Notch (p. 139) to the Crawford House (p. 139) is 26 M.

COACHES run regularly from N. Conway to (9 M.) Jackson (see below), passing (5 M.) Glen Station (p. 123).

b. Jackson and the Peabody Glen.

Jackson (760 ft.; *Wentworth Hall, with annex-cottages, \$4-5; *Gray's Inn., \$2-3; Jackson Falls Ho., $$2^1/_2$ -3; Iron Mt. Ho., Glen Ellis Ho., $$2^1/_2$: Eagle Mt. Ho., \$2-3; boarding-houses) is overshadowed by Iron Mt. (2725 ft.) and Thorn Mt. The *Jackson

Falls, on the Wild-Cat River, near the hotels, are pretty. Good fishing. There is a small golf-course attached to Wentworth Hall.

Esceptions are made hence to Goodrich Falls, 1½ M. to the S. (time after heavy rain only); up the glen of the Wild-Cat Brook to the (8 M.) Gurter Notch (3320 ft.), between Wild-Cat Mt. (4415 ft.) and the Carter Notch (3320 ft.); to the top of (1 hr.), Thorn Mt. (2236 ft.); to (4½ M.) Fernald Farm (view of Mt. Washington); to the (3 M.) Winneseta Falls, etc. Coaches ply to (4 M.) Gen Station and (9 M.) N Connex. Cartage to

Coaches ply to (4 M.) Glen Station and (9 M.) N Conway. Carriage to (20 M.) the top of Mt. Washington \$6 each, incl. toll (there and back \$8); to Gorham (see below) \$5 each.

The road from Jackson to the Peabody Glen runs to the N. along the Ettis River, passing through the wooded Pinkham Notch (2018 ft.) and affording glimpses to the left of the deep ravines of Mt. Washington. About 7 M. from Jackson a path to the right (sign-board) leads to the (\frac{14}{4} M.) *Glen Ellis Falls (70 ft.), and a little farther on, to the left (sign-board), diverges that to the (\frac{3}{8} M.) Crystal Cascade (80 ft.; hence to Tuckerman's Ravine, see p. 146). A steep road to the left farther on joins the (\frac{14}{2} M.) ardiage-road from the site of the Glen Ho. to Mt. Washington (p. 144), 2 M. above the toll-house. About \frac{1}{2} M. farther on, to the right, is a path leading to (\frac{1}{2} M.) Thompson's Falls and Emerated Pool (guide-board).

11 M. (from Jackson) Site of the Glen House (1830 ft.), a large summer-hotel, burned down in 1894 and not rebuilt. This, owing to its fine situation on the Peabody River, at the N.E. base of Mt. Washington, with Mis. Clay, Jefferson, Adams, and Madison forming a grand line of summits to the N. of it, was long a favourite centre for excursions in the White Mis. and particularly for the ascent of Mt. Washington, the carriage-road to the top of which begins here (comp. p. 146). There is now no accommodation for tourists here.

Among the ascents conveniently accomplished from this point are those of Carte Dome (880 ft., to the Carter Note), 3-4 hrs.; thence to the top 11/2-21/2 hrs.) and Mt. Wild-Cat (4415 ft.; 1-11/2 hr.). The latter commands a fine Yilew of Mt. Washington. — Good walkers may reach the top of Mt. Washington viā Mts. Madison, Adams, Jefferson, and Clay in phrs. (with guide); and the Appalachian (10h has also constructed a blaced path along the whole Carter Range (8 Mt.; fine riews) to Mt. Mortah (p. 139). — On the Pethody, about 3/4 Mt. to the N., are the so-called Garnet Pools, and a visit may also be paid to the Osgood Carcades, 11/4 Mt. to the N.W. — Tuckerman's Ravine, see p. 146.

Beyond the Glen House site the road descends through the *Peabody Glen, affording a series of fine views. By crossing (2 M.) the bridge over the Peabody and turning to the right, we may reach a point revealing the profile of *Imp Mt.* Farther on our road crosses the river and soon reaches -

19 M. (from Jackson) Gorham (see below)

c. Gorham.

Gorham (810 ft.: *Alpine House, \$3; Willis Cottage, \$1-2), the N. gateway to the White Mts., is a village with about 2000 inhab, finely situated at the confluence of the Androscoggin and the Padody and commanding a charming view of hill and valley. To
