Niedersächsische Staats- und Universitätsbibliothek Göttingen Georg-August-Universität Göttingen Platz der Göttinger Sieben 1 37073 Göttingen Germany Email: gdz@sub.uni-goettingen.de fleant ravine between Mt. McIntyre and Mt. Wallface. In front of us the vivew stretches over a sea of forest to 55 M) Lake Henderson, 1300 ft. below us, while to the right the majestic rocky wall of "Wallface (3890 ft.) telow us, while to the right the majestic rocky wall of "Wallface (3890 ft.) triess sheer to a height of 1500 ft. one of the grandest cliffs in the New World. The headwaters of the Hudson, flowing to the S., and the Ausable, flowing to the N., rise here so close to one another that they are said to mingle in time of flood. [Those who do not wish to go on by this route to the Blue Mt. country may turn back here, as this view commands the entire pass and the trail farther on is rough and neglected. Good walkers by the Lake Colden route (see p. 189), spending a night, if desired, at the Adirondack Club (see below).] Our path then begins to descend rapidly, at first over procks. Farther on it is easier and more gradual. In 5 M. (2 brs.) from Summit Rock we reach Lake Henderson (1875 ft.), the E. bank of which we follow to (2 M.; 19 hr.) the descreted hamte of Adirondack Club (see below).] Our path then begins to descend arronder of which we follow to (2 M.; 19 hr.) the descreted hamte of Adirondack of the Object for the descreted hamte of Adirondack Club (see below).] A common the control of the seed of of t

d. From Saratoga to North Creek.

Schroon Lake. Blue Mountain Lake. Raquette Lake. Long Lake.

FROM SARATOGA TO NORTH CREEK, 57 M., Adirondack Railway in 21/4 hrs. (52; sleeping-cars from New York to North Creek without change \$2; from Saratoga to Blue Mt. Lake \$49/4).

Saratoga, see p. 197. The train runs to the N., passing Hilton Park (p. 199; r.). Near (17 M.) Corinth we reach (r.) the Hudson, the pretty upper valley of which we follow. At (22 M.) Hadley we cross the Sacandaga (bridge 96 ft. high).

Hadley is the station for Luzerne (Wayside Inn., \$31/2-4; The Elms, \$21/2), a pleasant summer-resort beyond the Hudson, on the pretty little Lake of

Lûzerne.

The wooded sugarloaf hill to the right, beyond Hadley, is known as the *Potash Kettle* (1735 ft.). The valley contracts, and the hills are prettily wooded. — 49 M. Riverside (815 ft.) is the starting-point of the stage-coaches for (7 M.) Schroon Lake (see below).

The ocaches run viå (6 M.) the Petter-stite Hesses (5 2, D. 75c.) to the landing one lower and of the book, whose a small steamer place to the hotels at its (9 M.) head (fare from Riverside 5 2, all outshing at the Watch Rock Hotel (33 1/4), on the E. shore, the Papler Heure (8 91/4-3) on the W. shore, and other points. — Schroon Lake (807 R.), 10 M. long and 1.2 M. wide, is surrounded by rugged hills and affords good fishing. Near its head lies the village of Schroon Lake, with numerous hotels, the largest of which are the Letand House (8 3-3 1/4), the Adviandack in (3 20/4), the Ondame (8 2), and the Windare (3 1/4). The road (stages) to the N. runs hence vià (4 M.) the beautiful Peradox Lake and Schroon River Post Offsec (1 88) to (22 M.) Euba Mills (p. 188), where it forks, one branch going to (6 M.) Keene Valley (p. 190), the other to (10 M.) Elkabeltheum (p. 188).

57 M. North Creek (975 ft.; Adirondack Hotel, \$2-3) is the terminus of the railway and the starting-point of the coaches to Blue Mt. Lake.

FROM NORTH CREEK TO BLUE MOUNTAIN LAKE, 30 M, coach in 5-6 hrs. (fare \$3). This is not a very attractive drive, especially as the road is bad and passes through an extensive 'burnt district. — To the left rises Gore Mt. (3540 ft.). 5M. North River Hotel (D. 75 c.). The road now quits the Hudson and ascends rapidly. Mt. Marcy (p. 193) may be seen in the distance to the right. We cross (17 M.) Indian River (poor inn). 18 M. Indian Lake Post Office (inn); 20 M. Cedar River (Hotel, \$2). We cross the watershed (1760 ft.) between the Hudson and the Raquette. — 29 M. Blue Mountain Lake (see below).

Blue Mountain Lake (1800 ft.), 3 M. long and 2 M. wide, lies at the base of Blue Mt. (3760 ft.), which rises to the N.E.

The hotels on the lake are the "Proppet Bross (500 heals, \$ 4), on the S. whore; Bke M. Lake Ruse (\$84), at the E. one; Bke M. House (225 ft above the lake, \$ 2.29/s), at the foot of Blue M. — Blue M. Contain (376) ft) is ascended by a bridle-path in 2 brs. — A road leads N. from Blue Mt. Lake, through the woods, to (10 M.) Long Lake Village (p. 198; stage in 3 brs., fare \$ 81/s).

From Blue Mountain Lake to Raquette Lake, 12 M., steam launch in 3 hrs. (fare to Marion Carry 75 c., to the Hemlocks or the Andrers \$1.25, to Forked Lake Carry \$1.75). — The little steamer traverses Blue Mt. Lake, affording a good view of Blue Mt., passes through a small outlet into Eagle Lake (with Eagle's Nest, a solitary farm-house on the N. bank, formerly the home of 'Ned Buntine', the author), and then threads another connecting stream and reaches the narrow Utowana Lake, 2½ M. long. At the W. end of this lake we leave the boat and pass across a short carry (½ M.) to the Marion River, the intricate course of which we descend in another steam-launch to (6 M.) Raquette Lake, where we disembark at the Hembocks or the Antlers.

*Raquette Lake (1775 ft.), the most irregularly shaped of the Adirondack lakes, with numerous promontories and bays, is about 10 M. long (5 M. in a direct line) and 1-2¹/₂ M. wide. It is surrounded by low hills, and the environing forests teem with game.

The following are the Lake Raquette hotels: "Anters (§3-4), on the W bank; The Henlocks (§3-3), and re the Marion River Outlet; Sunset Camp, on Wood's Point, to the N. of The Hemlocks (§3); Blanchard's Wipcam (§3), W. bank. — The Private Camps round Raquette Lake are the most elaborate in the whole district, and "Camp Pine Knot (P. Hurington, Eagl., on the S. side of the promontory below the Marion River, the Month of the Wood of the Pine River, the Month of the Wood of

To the S.W. of Raquette Lake stretches the Fulton Chain of Lakes (1869-1890 ft.), eight in number, a favourite resort of aportsmen and anglers. They are reached hence viā the Brown Tract Inlet, and a small steamer plitter on some of the lakes. They may be approached from Utica by the Adirondack & St. Lawrence Railway (p. 189). — Other parts of this W.

district of the Adirondacks are frequented by snortemen. but the means

of locomotion are scanty and the accommodation somewhat primitive FROM RAQUETTS LAKE TO LONG LAKE, 12 M., by small boat, with guide. From the N. end of Raquette Lake we cross a short carry (1/o M) to Forked Lake (1750 ft.: Forked Lake House, \$21/o)

a picturesque sheet of water, with several private camps.

Those who are bound for the Tupper Lakes (p. 197) cross Forked Lake (pron. "Porked") to the N., pass through the outlet into (6 M). Little Forked Lake, and thence proceed, by boat (2½ M) and carries (5½ M.), viã Carry Pond, Bottle Pond, and "Rock Pond, to (6 M.). Little Tupper Lake (p. 1971).

We turn to the right (E.) on Forked Lake and from its E. end descend through the picturesque Raquette River to (8 M.) Long Lake. about 2 M of the route being the 'carries' required to mass the Buttermilk Falls and other unnavigable parts of the river.

Long Lake (1615 ft.), 14 M. long and 1/9-1 M. wide, is pretty. though tamer than many of the other lakes. To the right and left as we enter it are Mt. Sabattis and the Owl's Head (2825 ft.). On the right (E.) bank, about 2 M, below the head, is the Grove House (\$21/2), a great hunting and fishing resort; and about 1 M. farther on, on the same side, is Long Lake Village, with the Sagamore House (\$ 3-4) and Long Lake House (\$ 2).

Nearly opposite Long Lake House (§ 6.).

Nearly opposite Long Lake Village begins a boat and portage route to Little Tupper Lake (p. 197) vià Clear Pend, Little and Big Stim Pends, and Stony Pend. — Stage to Blue Mt. Lake, see p. 195.

Farther on Long Lake expands. At its lower end (W. bank) is the small Island House (\$2). To the right rises Mt. Seward (p. 194). From Long Lake to Upper Saranac Lake, see p. 186.

e. From Utica to Malone via the Tupper and Saranac Lakes.

167 M. ADIRONDACK AND ST. LAWRENCE RAILWAY (N. Y. C. R. R. system) in 6 hrs. (fare \$5; perfor-car \$1). Through-carriages run from New York to all points in the Adirondreks reached by this railway (to Tupper Lake Junction in 10 hrs., \$8.10; to Saranac Inn in 101/2 hrs., \$8.55; to Malone in 12 hrs., \$9; parlor-car or sleeper \$2). The line traverses the whole of the Adirondack Wilderness from S. to N.

Utica (Rail. Restaurant), see p 206. - The line runs towards the N.W. 13 M. Trenton Falls, see p. 206. We cross the West Canada Creek. 21 M. Remsen, see p. 206. At (43 M.) McKeever we cross the Moose River. - 52 M. Fulton Chain is 11/4 M. from Old Forge (Forge Ho., \$3-31/2), whence a small steamer ascends the Fulton Lakes (see p. 195) to the head of Fourth Lake (Cedar Isle Camp, \$21/2-3; Rocky Point Inn, \$3-4; Hess Inn, \$2-4; Eagle Bay Hotel, \$3; Bald Mt. Ho., on Third Lake, \$3). Thence we may ascend by small boat and 'carries' to (3-4 hrs.) Raquette Lake (p. 195). - 63 M. Big Moose; 811/2 M. Nehasane Park (private station of Dr. Webb); 84 M. Bog Lake. From (881/2 M.) Long Lake West stages run to (5 M.) Little Tupper Lake (p. 197) and (18 M.) Long Lake (see above). - 100 M. Childwold, the station for (5 M.; coach \$1) the Childwold Park House (\$3-4), on Lake Massawepie.
