Correction

In the two papers

Long Range Profiles in Western Europe:

II. Fine Structure of the Lower Lithosphere in France (Southern Bretagne)
(A. Hirn, L. Steinmetz, R. Kind, K. Fuchs:
Z. Geophys. 39, 363–384, 1973; paper A)

and

Long Range Propagation of Seismic Energy in the Lower Lithosphere
(R. Kind: *J. Geophys.* 40, 189–202; 1974; paper B)

the time scale of one record section is in error. This record section is reproduced in the upper part of Fig. 2 and Fig. 3 (paper A), and in Fig. 1 of paper B. The time scale of this record section is labelled uncorrectly. The reduced time 30 s should read 25 s, the 5 s mark is labelled correctly. All other marks should be corrected accordingly. The time scale of the lower part of these figures is correct. The authors are grateful to E. Peterschmitt who has pointed out this mistake to them.
